

# Removable Floor Coverings: norament® 975 LL

This removable rubber floor covering can be quickly installed using a suitable tackifier and can be used as soon as it has been laid. It can also be removed and reused, which allows flexible use in a range of applications. It is suitable for new and renovated buildings as well as raised-access floors, modular or temporary flooring and installation on existing old coverings.

norament 975 LL contains 8 % post-production recycled content.
